

LOCAL NEWSLETTER OCTOBER 2018

/ CONCRETE POURING FOR THE BASEMENT FLOOR LEVELS CONTINUES

We will continue to pour the concrete for the basement floor level foundations. This is a large job and may occasionally involve some late running works in order to finish the concrete. However, our team will endeavour to keep these works to a minimum.

The month ahead will see a number of essential deliveries of steel, concrete and other construction materials into the site. These deliveries will arrive on site via Verulam Passage and exit onto Clarendon Road. Traffic marshals will remain in place at the entry and exit gates.

You may have noticed that the second tower crane on the site was successfully erected on the last weekend in September. By the end of October, we will have completed the removal of muck and waste from the site.

/ Site from Clarendon Road

/ WELCOME

Welcome to the seventh issue of the TJX Europe local newsletter which will keep you up to date as we prepare to build our new headquarters on Clarendon Road.

TJX Europe operates the TK Maxx and Homesense retail chains in Europe and has had its corporate headquarters in Watford for over 20 years.

/ REGULAR UPDATES

We will issue a regular newsletter to keep you informed of planned activities and our site progress.

In the meantime if you want to be kept updated with our latest progress and receive our email updates, please contact:
