

LOCAL NEWSLETTER JANUARY 2019

/ BELOW GROUND WORKS NEAR COMPLETION

Welcome to the first edition of our newsletter for 2019.

We ended 2018 with an update on the below ground level works. As you can see from the photo, we are nearing completion of the concrete works to the basement levels. By the end of January, work on the carpark basement level will have finished. We will then start to construct the ramps to access the lower car park levels.

Once these works have been completed, we will move onto the next major phase of the above ground level works, including the lifts and staircases.

/ REGULAR UPDATES

We will issue a regular newsletter to keep you informed of planned activities and our site progress.
